Monday-Friday 8:00 a.m. - 5:00 p.m. (Central Standard Time)

Contact your PUTCO dealer for other quality accessories.

PUTCO Inc. – Des Moines, Iowa 50313

Please read all instructions before beginning installation and be sure to check to see that all parts and hardware are included.

Parts List	
Description	Qty
LED THIRD BRAKE LIGHT	1

Tools Needed for Installation
T25 TORX BIT OR SCREW DRIVER
10 MM WRENCH

Step 1: Verify kit contents.

Step 2: Open window on rear hatch.

Step 3: Remove (3) Torx - head bolts located above window and set aside.

Step 4: Remove (2) 10mm nuts located above the hinges on the rear hatch and set aside.

Step 5: Gently close the window and lift the factory third brake light upward.

Step 6: Remove the factory wiring harness from the brake light assembly.

Step 7: Remove the (4) 10mm nuts located on the rear of the brake light housing.

Step 8: Remove the factory third brake light from the assembly and replace with the Putco brake light.

Step 9: Replace the (4) 10mm nuts that were removed from the rear of the brake light housing.

Step 10: Place the third brake light assembly above the rear hatch and connect factory wiring harness.

(NOTE: Secure factory wiring harness behind the two clips located on the factory brake light assembly.)

Clips

Step 11: Position the brake light properly and open rear window.

Step 12: Reinstall the hardware that you removed in **Step 3** and **Step 4** and close window.

Note: If your light does not turn on verify the connection between the factory and Putco wiring is secured properly.

LIMITED WARRANTY

Putco guarantees its Stainless Steel and Aluminum products against defects in workmanship and material for as long as you own your vehicle. Black products have a 90 day warranty on the painted surface. Any defects resulting from faulty material or workmanship will be warranted by Putco and repaired or replaced at our discretion. Putco assumes no extra labor costs. Damages caused by freight carriers, improper installation, misuse, collision, or neglect will not be warranted by Putco.
