Putco guarantees its Stainless Steel and Aluminum products against defects in workmanship and material for as long as you own your vehicle. All painted products have a 90 day warranty on the painted surface. Any defects resulting from faulty material or workmanship will be warranted by Putco and repaired or replaced at our discretion. Putco assumes no extra labor costs. Damages caused by freight carriers, improper installation, misuse, collision, or neglect will not be warranted by Putco.

***Installation Instructions:***

1. Remove the plastic covers on the tie down points.
2. Remove the two Bolts holding each tie down point and place the 5/16 X 3/4 spacers over the holes as shown in Figure 1.

3. Place the lower brackets over the spacers and loosely attach with the M8 X 40mm bolts with washers as shown in Figure 2.

Putco guarantees its Stainless Steel and Aluminum products against defects in workmanship and material for as long as you own your vehicle. All painted products have a 90 day warranty on the painted surface. Any defects resulting from faulty material or workmanship will be warranted by Putco and repaired or replaced at our discretion. Putco assumes no extra labor costs. Damages caused by freight carriers, improper installation, misuse, collision, or neglect will not be warranted by Putco.

4. Attach the top bracket with the M8 X 20mm bolts and washers in the holes shown in Figure 3.

5. Attach the molle plate to the brackets using the M6 X 25mm bolts and washers.
6. With the molle plate in place, go back and make sure the bolts are tight. The installed molle plate should look like the one in Figure 4 for the passenger side and Figure 5 for the drivers side.

***Your new MOLLE Panel is now successfully  
installed on your vehicle!***
