PUTCO

/NITRO LUX

PUTCO'S MOST POWERFUL FOG LIGHT KIT

DESIGNED FOR MAXIMUM DOWN-ROAD PUNCH

6500K
COLOR TEMPERATURE

5000
LUMENS

OPERATING VOLTAGE • 12V-24V
INPUT POWER • 24W

PUTCO®

MOST POWERFUL.

Through technology using Japanese micro capacitors we have been able to introduce a smaller integrated anti-flicker circuit built directly into the driver, eliminating the need for an external CANBUS module. Paired with our patented woven heat sink, the Nitro Lux® fog light kit is the best choice for any application. This fog light kit provides the same cool white color temperature that our previous generations offered with many new updated features to nearly every aspect of the fog light kit. The Nitro Lux kit is the culmination of all the experience and technology learned from previous generations of LED fog light kits wrapped into one new cutting edge bulb.

MONO FILAMENT

COB LEDS

Resins are used to protect, insulate, and conceal circuitry, components, and devices. Formulated to satisfy the requirements of the many demanding applications.

FULL SURFACE ANODIZATION

Non-reflective nickel finish to eliminate light ray interference inside lamp housing.

[ATC] ADVANCED THERMAL CONTROL

Our patented flexible heat-sink is the most advanced heat management system available on the market. Our solid state design is scientifically proven to maximize performance and the bulbs life span through superior heat mitigation.

EC EASY-CLOCK™ COLLAR

Our new built in clock-able collar design allows for quick and easy adjustment of the light beam. This allows you to point the angle of the beam exactly where you need it.

SSD SOLID STATE DESIGN

No moving parts means a stronger design and more reliable product.

ALL NEW DRIVER BOX
UPGRADED TECH · MINIATURIZED PARTS

Putco's anti-flicker* driver box is completely sealed with Tough Seal™ 22 potting to ensure our driver is 100% waterproof. To make our driver box even better we incorporated all new miniaturized capacitors to reduce the size of our driver box by 30%. All with braided 10mil PET mono-filament braided sleeves to protect wires from abrasion and heat.

* Flicker kit still required on Ram Trucks

PATENTED TECHNOLOGY

LED BULBS

PRODUCT PACKAGING

Each kit is brilliantly showcased in a full-color litho carton with a clear display window. Product is secured and well protected in a impact resistant foam thats cut specific to the product's shape.

FEATURES

· 6500K color temperature.
· 5000 lumens (per kit).
· Putco's most powerful bulb ever designed for maximum down-road punch.
· Fully anodized non-reflective nickel finish to eliminate light ray interference inside lamp.
· NEW Built in collar design allows for quick and easy adjustment of light beam.
· Our new Nitro-Lux™ LED is even slimmer with an industry leading footprint to fit into modern minimal housing space.
· Exclusive solid state design for maximum performance, long life, and superior scientifically proven heat mitigation.
· Tough Seal™ 22 potting / 100% waterproof
· NEW miniature capacitors eliminate external anti-flicker module, reduces size of driver box by 30%
· Perfect fitments with existing OEM harness.
· Twist lock & slide pressure locks for OEM guarantee flawless contact points.
· 2 Year Warranty

WHAT'S INCLUDED

LED BULBS
2x Nitro Lux LED Foglight

LED DRIVERS
2x anti-flicker* driver box

CABLE & WIRING
Nylon-braided cable w/ Plug-n-play connector

WARRANTY
2 Year

COMPATIBILITY

FOG LIGHTS
H7 / H8 / H9 / H10 / H16 (Type2)

TECH SPECS

LED EMITTERS
CSP LED Chips

COLOR TEMP
6500K

INTENSITY
5000 lumens (raw; per bulb)

INPUT POWER
24w (per bulb)

INPUT RANGE
12-24V DC

CURRENT DRAW
2A 12V DC

HEAT SINK DEPTH
20MM

APPLICATION GUIDE

NUMBER	APPLICATION	BULB TYPE	BULB COLOR	LUMENS	KELVIN SCALE
NITRO-LUX					
700008	Nitro-Lux - H9 / H8 - Pair	H9 / H8	White	5000LM	6500K
700010	Nitro-Lux - H10 - Pair	H10	White	5000LM	6500K
700016	Nitro-Lux - H16 - Pair	H16	White	5000LM	6500K
NITRO-LUX - SINGLES					
700008-S	Nitro-Lux - H9 / H8 - Single	H9 / H8	White	5000LM	6500K
700010-S	Nitro-Lux - H10 - Single	H10	White	5000LM	6500K
700016-S	Nitro-Lux - H16 - Single	H16	White	5000LM	6500K
